ONE HUNDRED AND SIXTY-TWO SENIORS WILL GET DEGREES

Twelve States and Two Foreign Countries Are Represented

Forty Engineers Eleven Graduate Students Get Advance Degrees

One hundred and sixty-two students are candidates for degrees at the University of Kentucky this year. Eleven are in the Graduate School; sixty-six in the College of Arts and Sciences; twenty-six in the College of Engineering; twenty-six in the College of Agriculture and nineteen in the College of Law.

Twelve states and two foreign countries are represented among the graduates. Sixty-four towns in Kentucky have sons and daughters graduating from the University this year.

The list of candidates for degrees follows:

Wesley Smith, Branawick, Tenn., Agr.
 King Burrier, Nicholasville, Ky., Home Economics.
 James D. Foster, Auburn, Ala., Agr.
 Walter E. Armentrout, Linville Depot, Va., Mathematics.
 Curtis P. Humphreys, East Rochester, Ohio, Physics.
 Osborn, Berea, Ky., Mathematics.
 V. Murphree, Louisville, Ky., Chemistry.
 Maria Wilson Server, Somerset, Ky., Zoology.
 M. Lane, Kansas City, Mo., Engineering.
 Graham, Lexington, Ky., Psychology.
 College of Arts and Sciences
 C. Anderson, Mayfield.
 King Augsburg, Lexington.
 Bailey, Adairville.
 Elliott Bell, Eminence.
 Pendleton Bell, Hartford.
 Gilbert Black, Harrodsburg.
 Wallace Boggess, Lawrence.
 Leigh Buckman, Spokane, Washington.
 Arden Cameron, Lexington.
 Chandler, Owingsville.
 K. Cooke, Smith's Grove.
 Cooper, New Orleans, La.
 Coach, Polly.
 Victor Cromwell, Cynthia.
 Hale Barr Davis, Lexington.
 Converse Dickey, Walton.
 Donald Dinning, Franklin.
 A. Edmonds, Lebanon.
 Julian Evans, Frankfort.
 Finsel, Frankfort.
 Evelyn Ford, Shelbyville.

Continued on Page 3.

OLD GRAD VISITS KENTUCKY CAMPUS

Dr. Lyle, assistant general manager and secretary of the Armstrong and Insulation Company of Pittsburgh, was a guest of the University on June 6. Mr. Lyle is a graduate of the Mechanical and Electrical Engineering College in the class of 1908. He is the third of the "Lyle Brothers" and with the others, J. I. Lyle, vice-president of the Carrier Conditioning Company of New York, and Ernest Lyle, manager of the Carrier branch office in Lexington, has added many lights to the records of the graduates of the college of engineering. Mr. Lyle visited Kentucky on his recent visit to visit two of the graduates for employment with his company. As a result of his judgment, H. B. Orr of Lexington and W. D. Thompson of Pittsburgh will go to Pittsburgh after graduation to assume their new duties.

Your Class Secretary

Your alumni secretary is to serve now. If you want a class ring, information concerning your classmates, anything pertaining to your class or your University, write him. A letter addressed to the University postoffice will always reach him.

As soon as you get permanently located, send him your new address and business connections.

A supplement to the present Alumni Directory will be published later in the summer, giving the addresses of the members of the class.

BUD SLOMER TO LEAD 1922 KENTUCKY NINE

Charles Graham to Be Manager; Four Wildcats Leaving School.

J. J. ("Bud") Slomer, Covington, has been elected captain of the 1922 baseball team of the University of Kentucky. Slomer is a Junior and has played on the team for three years. During his first and second seasons in the Wildcat uniform Slomer officiated for the most part in the pitcher's box, but this year he played the third base. Charles B. Graham, Lexington, has been elected manager for the team. He is also a Junior in the College of Engineering. Four men will be missing from the Wildcat diamond roster next year. Cooper and McKinney, Coach Gill's first-string pitchers; "Speedy" Propps, one of the most consistent college hitters in the State, and Al Muth, centerfielder, will be on the absent list next season. Cooper has reported to the Little Rock team of the Southern Association.

ALUMNI OF U. OF KY. RESPOND LOYALLY TO CALL TO SERVICE

Growth of University Depends Upon Support of Graduates

14 ALUMNI CLUBS

Association Now Has Membership of 924

The call to the service of their Alma Mater has been heeded by the alumni in rapidly increasing numbers in the last year. The growth of the University, its greater prestige, a new spirit among the undergraduates and the firm conviction of leaders among the alumni that there must be a strong Association and a definite program have figured in this renewed activity.

Kentucky needs an educational 1-A—Kernel stat 2-A—Kernel, stat

awakening. The first signs of such awakening are visible. The University, which is at the head of the public school system of Kentucky will share the advantages of a renaissance. There are many reasons for pride in the University of Kentucky. Its standards are high and the ability of the men and women who have received its degrees is known. The quality of work done in the several Colleges compares favorably with that done in other institutions in the South, in many instances being far superior. The personnel of the student body has evoked much favorable comment from townsfolk of Lexington and visitors. Its numbers are limited only by the capacity of class rooms and laboratories.

(Continued on Page 7)

Football Schedule

Oct. 1.—Wesleyan at Lexington.
 Oct. 8.—Marshall at Lexington.
 Oct. 15.—Vanderbilt at Lexington.
 Oct. 22.—Sewanee at Louisville.
 Oct. 29.—Georgetown at Lexington.
 Nov. 5.—Centre at Danville.
 Nov. 12.—Virginia Military Institute at Louisville.
 Nov. 24.—Tennessee at Lexington (Home Coming.)
 Captain, James M. Server
 Coach, William J. Juneau.

SENIOR CLASS TO JOIN ALUMNI ASSN.

Twenty Graduates Have Already Paid Their Annual Dues

Dues in the alumni association will link you up with the activities of the University; provide you with an edition of The Kernel each week next year and entitle you to a copy of the alumni directory.

The dues are \$2 annually. Sixteen A. B.'s; three A. Gs. and one Engineer have already joined. Not a lawyer has joined as yet. Every member of the class is urged to drop in the Alumni Office and pay his dues before he leaves.

The following have already joined: Chas. Stuhlberg, Mildred Summer-ville, Robert Ford, Marshall Cooke, George Gregory, C. R. Rodgers, J. D. Dinning, F. B. Bell, Wm. Wilson, H. J. Evans, Neal Thurman, R. W. McMeekin, H. B. Lloyd, Little Cromwell, Florence Edmonds, J. H. Taylor, C. W. Richards, Roy Creech, Katherine Herring and Robt. J. Raible.

KENTUCKY ATHLETES ARE BASKETBALL AND WRESTLING CHAMPIONS

Track Team Took Fourth Place At S. I. A. A. Meet

HAVE GOOD COACHES

Baseball Record is Bad for Season.

Coach Juneau started in last Fall to build up a football team that the University of Kentucky would be proud of. He took a bunch of practically raw men and by the end of the season he had a team, not a championship team, but one that would make any squad fight to defeat them.

A football team has to be raised and cultivated just as string beans or babies and it takes time. Moran raised the team at Centre. He took several years to do it, yet he succeeded. Juneau started out to do the same thing. His team did not have a year of howling successes and neither was it a failure. It lost to schools such as Yandy and Centre, tied Sewanee and defeated Cincinnati.

It did more than that. It started several freshmen on the right track, who will be stars in the near future. There were fifty men out for Spring football practice, all of whom will return in September. These men, together with the wealth of new material, which will come in the Fall, will be the stuff from which next year's team is to win.

Coach Juneau is of national fame and all those who saw him last Fall know that he has the personality and ability which it takes to develop a real team. He will be at the University for several years and during this time the school should turn out a real team which should sweep the conference.

Basketball

Much has been said of the championship basketball team coach Buchheit, composed of King, Capt. Haydon, Adkins, Ridgeway and Lavin. All of these men will return in the Fall with the exception of Haydon and he is undecided.

From the start the team showed signs of knocking 'em off, so to speak. It defeated all comers by large scores.

This aggregation or family met one defeat during the season and that was at the hands of Centre by a score of two points. During the first few minutes the Blue and White was walking away with her opponents and Lavin was put out of the contest with a bad shoulder. Smith took his place and before the men could accustom themselves to the new man the Colonels had run up a large score.

In the last half the Wildcats struck their old stride and made more than a point a minute. Had the whistle held off a few seconds they would have been victorious. Several weeks later they defeated Centre by the decisive score of 20 to 13.

Hailed as the dark horses of the tournament at Atlanta they swept every thing by overwhelming scores until they bumped into Georgia in the

(Continued on Page 2)

SIGMA NU WILL HOLD OPEN HOUSE

Gamma Iota chapter of the Sigma Nu Fraternity will have its formal opening of the Harold Pulliam Memorial House on Winslow street next Monday and Tuesday.

Alumni will be present from all parts of the state and opening of the first house on fraternity row will come up to all that is expected of it. A feature of the entertaining will be a dance given on Tuesday night by the members and pledges of the active chapter.

KENTUCKY GRADUATE IS FAMOUS CHEMIST

Dr. Arthur S. Lovenhart Did Important Work During War.

Dr. Arthur S. Lovenhart, former Lexingtonian and University of Kentucky man, now head of the departments of Pharmacology and Toxicology, University of Wisconsin, was in Lexington recently to spend a few days with his parents, Mr. and Mrs. H. Lovenhart, before returning to his duties in Wisconsin, after attending a conference of Chemical Warfare consultants at Edgewood Arsenal, Baltimore, which was the center of chemical warfare activities during the war. Dr. Lovenhart went to Edgewood in the interest of getting the appropriation required to carry on the work.

(Continued on Page 7.)

ENGINEERS ENTERTAIN AT SHAKERTOWN INN

The Seniors of the College of Engineering of the University of Kentucky, were guests of honor at the Twenty-sixth Annual Engineers Dinner, which was given at Shakertown Inn, Shakertown, Kentucky, Saturday, June 11.

The engineers motored to Shakertown from Lexington. Fred Houston-Shaw was toastmaster and the following toasts were given: The University, Dr. F. L. McVey; The Customs, Prof. W. S. Hamilton; Paragraph, Prof. Enoch Grehan and "Where Do We Go from Here," Dean F. Paul Anderson.

SENIOR BALL INFORMAL

It was decided at the meeting of the Senior Ball Committee yesterday that the Ball would be informal. There will be ten no-breaks.

SIX MEN ARE INITIATED INTO TAU KAPPA ALPHA

Honorary Orotorical Fraternity Takes In University Debaters

Six men who have represented Kentucky in forensic contests during the year were initiated into Tau Kappa Alpha, nation honorary oratorical fraternity, at the Phoenix Hotel last Wednesday night.

Those initiated were: John L. Hays, Leonard C. Fielder, E. M. Clay Porter, James B. Watkins, William Chism and Raymond T. Johnson.

Forensic "K's" were presented to the debaters who represented the University in the annual debate.

The initiation was conducted by Prof. Mikesell, Ed. Rice, F. P. Bell, Milton Revill, Nelson Conkwright and John McKenzie, who are members of the active chapter.

SUKY CIRCLE DOES BOOSTER WORK ON KENTUCKY CAMPUS

"Daddy" Boles Starts Club
to Back Organizations
and Activities.

AIDS SCHOOL SPIRIT
Conducts Snake Dances,
Rallies and Receptions.

There was begun during the past year, just ended, a systematic, organized method of handling that elusive thing called for want of a better name, "school spirit." During the past it has been up to some individual with more nerve than special ability to direct the spirit of the university; some years there has been success; other times the spirit has been directed into the wrong channels.

The organization which took charge of this matter at the beginning of the school year last September was started at the suggestion of Prof. S. A. Boles, director of physical education. Early in the summer "Daddy" conceived the idea of having an organization to direct student assemblages and boost athletics and consequently when school opened in the Fall he called together a group of the outstanding students and told them of his plans.

The organization meeting was held with about twenty students present and thus began the movement that brought about organized attendance at all university functions and brought to life the spirit that long had lain dormant at the University in the matter of athletics.

After discussion the name decided upon was the "Su-Ky Circle" and thus came into being the organization that is looked upon to soon become the strongest body on the campus. Many do not know who belong to the organization and much of the work that was accomplished was not heralded. Much however, was accomplished and plans

have been made for an organization next year that will lead any organization on the campus.

Some of the accomplishments of the Su-Ky Circle were getting the crowds of the cheering; parades and rallies to the football games and the control were held at the call of the Circle and the organized and systematic cheering that took place at each game was the result; the formation of letters by students on Stoll field, and before game and after game parades were conducted by the Circle.

The Circle backed every organization and promoted attendance to every University activity. It was the Circle that had charge of the reception to the returning basketball champions and the Circle that sent them telegrams of encouragement every day before they met the opposing teams.

When the basketball tournament between the state high schools took place here the Circle took charge of the problems of housing and entertaining the visitors. When the inter-high school debate and track events were held the Circle again was called upon to find rooms for them and attend to their entertainment. Various other duties were voluntarily assumed by the Circle and each time the organization has received the thanks of the University authorities.

KENTUCKY ATHLETICS

(Continued From Page 1)

finals, which game ended 20 to 19 in favor of Kentucky. Those who witnessed the contest remarked that Georgia was outplayed in every department of the contest but her greater weight held her up.

Track

Buchheit again showed his ability by copping off fourth place in the All-Southern meet with six men.

Clare lowered the record for the high hurdles and won the low hurdles, placed in the 220 yard dash and was the high point man of the meet.

The squad would have been still better had it not been for the rainy weather and muddy track all season and for several of the men who had to be out thru being ineligible, sick

and injured.

In the Kentucky tournament or meet at Georgetown the Wildcats would have easily taken off the laurels had it not been for two of the men having had to run the day after they had recuperated from tonsillitis. It tied Centre for the meet with 58 points and there was no request to run off the tie so forthwith the Blue and White is conceded as having the better squad of the two.

The prospects for next season are good. Thornton and Cameron are the only men who will not return. The absence of these men will be missed but there are several freshmen who are showing promise and they should be in good form by the next meet. The track season was a success.

Baseball

Speaking frankly, the baseball season was rotten, due to the absence of enough good pitchers and because so many of the first string men were ineligible because of their studies.

Cooper pitched good ball and the squad did not give him the support he should have had. He could not pitch all of the time as a result of his being human, and a number of games were thrown away by the other pitchers who merely lacked ability.

The team was funny, in fact, there has never before been its equal. Vandy easily defeated the Blue and White by a score of 19-3 one day at Nashville. The next came back with Cooper pitching and played Vandy 5 to 6 in eleven innings. It again demonstrated its real ability with Cooper in the box at Cincinnati by defeating the Falls City boys 8 to 5, having previously lost to them by a count of 11 to 1. Returning to Winchester the bunch lost to Kentucky Wesleyan 5 to 6.

Wrestling

Under the tutelage of Harold Enlow, a wrestling team was developed that won every meet with the greatest of ease, having taken on Miami, Cincinnati and Ohio State.

This was the first team of its kind in the history of the University and it well lived up to the reputation that Lewis gave to Kentucky in the wrestling world. It will be seen in full swing next season and still better records are predicted.

POLITICAL ANNOUNCEMENT

OF

GEORGE R. SMITH

For the first time in the history of the University of Kentucky one of her graduates seeks the office of Commonwealth's Attorney for Fayette County.

The University has not grown, in the past, with the strides which have marked the progress of many of her sister institutions. One reason for this has been due to the failure of our university to exhibit a genuine interest and concern in the welfare of her graduates—an interest so strikingly noticeable in the policies of other institutions in the state, whose graduates, in turn, have striven for the upbuilding of their alma maters, but whose regard for the University of Kentucky is secondary.

I assure you that I have the interest of the University at heart, and I request, and will greatly appreciate, the consideration and loyal support of university men and women, and of the alumni. The results of my candidacy, as I sincerely believe and intend, will accrue to the mutual advantage of us all.

The Journey's End

Class of 1921, your collegiate journey has ended. You are now going forth from Kentucky's campus, severally to every quarter of the globe. To many of you life has already included service to your country during the recent crisis through which our nation has passed. To others your life has as yet been unmarked by peculiar incident. To all of you, life lies before you. This is your journey's end from your scholastic point of view, but it is your journey's beginning from your future's point of view.

Men and women of the Class of 1921, there are alluring vistas ahead of you. What are you going to make of them? Will the humdrum of mediocrity, the contentment of the average or the crown of continuous success be your quest? Will you measure your success by the plaudits of friends received, the store of earth's goods accumulated, or the service to mankind rendered?

Success will be yours, Class of 1921, and the measure of it will be what you choose to make it. No matter what you select as your calling, no matter what place in the world's niche you elect to fill, your position will never be so high or so low that you may not be able to serve your fellows. From the height of your achievements to the depths of your defeats, the opportunity to serve, to help your brother as you go along, to make the burden lighter as he seeks to "carry on" is yours.

Go forth, then, Class of 1921, but remember that the eyes of your Alma Mater are upon you; that the eyes of your state are upon you, and that as you shall have been able to achieve for your commonwealth so shall it achieve through you.

BUREAU WILL TAKE TIGERT'S PLACE ON ATHLETIC COUNCIL

Professor E. A. Bureau, of the College of Engineering, has been appointed a member of the Athletic Council to fill the vacancy caused by the resignation of Professor Tigert.

The new chairman of the council has not yet been elected. According to the constitution the chairman must be a member of the University faculty. The members of the council eligible for the chairmanship are Professor Bureau, Professor Enoch Graham and Dr. W. D. Funkhouser. It is rumored that Doctor Funkhouser will be elected to head the council.

Alumni—Y. M. C. A. Issue

This edition of The Kernel will be sent to every graduate and former student of the University by the Y. M. C. A. and the Alumni Association. It is the first Commencement Edition of The Kernel ever published and great credit is due the Department of Journalism for taking the initiative in getting out such a paper.

Good-Bye

The Kernel notes with much regret the resignation of the faculty members announced elsewhere in this issue. The regret is on the part of the students and the University that we must lose them from our faculty.

We wish them God speed and hope that they will meet success wherever their duties may lead them.

Resolutions Passed On Herman Pfeifer's Death

The following resolutions have been passed on the death of Herman Pfeifer who met an untimely death at the Kentucky River last Thursday:

Resolutions From Executive Committee of Board of Trustees

The Executive Committee of the Board of Trustees in session today learned with the greatest regret of the drowning of Herman Pfeifer, a member of the Freshman class. It extends to the father and relatives of the young man and to his fraternity brothers and members of his class their profound sympathy for the loss that has been occasioned by his death. As a befitting remembrance of Herman Pfeifer it has ordered this resolution spread upon the minutes of the committee.

Signed,

FRANK L. McVEY,
President.

Resolutions from the College of Arts and Sciences, University of Kentucky, in Memory of Herman Pfeifer

The University community was saddened yesterday evening when it learned of the tragic death of Mr. Herman Pfeifer, a Freshman in the College of Arts and Sciences. He had been in the College scarcely a year but in that time he had endeared himself to his fellow students and had won the respect and confidence of the members of the Faculty. He cherished the ambition to become a graduate of the University and then become a missionary. While working all the time to support himself, he pursued his course with steadfastness and courage. His cheerfulness, his conscientious devotion to duty, and manly conduct early impressed those instructors who had the good fortune to be his teachers. At all times, Mr. Pfeifer was a gentleman. His exemplary Christian character has left such an influence that the University community is better for his having lived in it. The Faculty of the College of Arts and Sciences mourn his loss and extend their sympathy to the members of his family. We feel with them their loss but we share with them the satisfaction that his life was a noble one, whose influence for all that is good will remain.

BE IT RESOLVED, therefore, that the Faculty of the College of Arts and Sciences deplore the death of Mr. Pfeifer and extend their heartfelt sympathy to his father and relatives, that these resolutions be spread upon the Minutes of the Faculty and that a copy be sent to the members of the family and to the press.

Signed,

L. L. DANTZLER,
M. B. HORSFIELD,

Committee for the College of Arts and Sciences

Resolutions From Alpha Sigma Phi Fraternity

"WHEREAS God, in his all-wise providence, has seen fit to take from our midst our beloved pledge and brother-to-be, Herman Frederick Pfeifer.

"THEREFORE, be it resolved, that we, the members of the Alpha Sigma Phi Fraternity, express our sorrow at his loss and extend to the bereaved parents, relatives and friends of the deceased our deepest sympathy in the hour of their bereavement. We cannot hope for this message to be a solace for all the sorrow thus sustained, but we do hope that this expression of our true sorrow will in some measure alleviate their suffering.

"And, be it further resolved that a copy of these resolutions be sent to the parents of the deceased, the Kentucky Kernel, The Owensboro Messenger, The Owensboro Inquirer, and that it also be written upon the Minutes of the fraternity."

Alpha Sigma Phi Fraternity,
of

Sigma Chapter

Resolutions From Company A

The twilight of a June day sun has enshrouded our hearts in deepest sorrow and we, who a week ago, gaily rejoiced for honors duly won, are now bereaved. No man in our Company had loftier hopes for our Standard than did Herman Pfeifer, whose death we lament and ever while life last will we cherish his memory.

THEREFORE, be it resolved, that we extend our sympathy to his father, to his fraternity and to the members of the Freshman class of the University of Kentucky, and that we order this tribute spread on the Minutes of our Company record and published in The Kentucky Kernel.

Signed,

GERALD GRIFFIN,
Captain of Company A.

WILSON AND COOPER WIN A. B. HONORS

William Wilson was the only member of the present Senior Class whose grades were sufficiently high to make him eligible for membership in the local chapter which the faculty is organizing to petition Phi Beta Kappa. The minimum standing allowed for membership is 2.6 for the four years work, with no D's or E's.

Paul Cooper was awarded the Delta Sigma Pi Scholastic Key given to the graduate majoring in economics making the highest grades for the four years.

Pungent Odors & Co., have issued a new song, "My dentist May not be a politician but he has an awful pull," which they claim goes well with another best seller, "A bowlegged girl may be healthy but she's out of shape."

When Coleridge wrote, "He stoppeth one of three," he was evidently thinking of a certain well known ball player.

LITTLE THEATRE ENDS A SUCCESSFUL SEASON WITH "THE CATBOAT"

Will Be Necessary to Work
On Larger Scale
Next Year.

TEAS ARE FEATURE
Aid In Developing Dramatic
Instincts.

The Little Theatre closed a most successful season, May 17, when "The Catboat," a one-act play by Percy MacKaye was presented.

The Little Theatre movement at the University this year has met with such brilliant success that it will be necessary to continue on a larger scale next year. The purpose of the Little Theatre is not merely to entertain but to present educational plays not given by the regular commercial theatre. It has served as a community center. It has drawn talent from the community as well as from the student body. It has been a great aid in developing the dramatic tastes of the city of Lexington.

Besides the regular Little Theatre plays given in the evenings, a series of afternoon plays were given at the teas given by the Woman's League. These plays were an experiment and proved a great success. The class in dramatics, under Professor Mikesell, devoted the first semester to lecture work. The class was divided into groups the second semester, each group choosing a chairman. One group presented a play each week. In preparation for the play, the chairman provided the properties, scenery and costumes. The cast had no coaching until Professor Mikesell met with the group at their dress rehearsal the night before the play was to be given. This method of working up plays gave practice in self management.

The teas at which these plays were presented were so successful that the plan has been adopted as a standard of the Little Theatre. There was no charge for admittance to the teas. For the evening performances there was a charge of seventy-five cents for towns-people and fifty cents for University students.

The first of the plays, given under the auspices of the Little Theatre, was "Courtship of Miles Standish," given Thanksgiving Day, November 23, 1920, in the University chapel. In the cast

were: Mamie Miller Woods, Troy Perkins, R. E. Davis and Laurine Wells. A curtain oration was given by Patrick H. Vincent. After the play a Pilgrim Pageant was given in which thirty-five persons took part.

February 23 and March 1 were O'Henry nights. On these nights were given the O'Henry plays, "After Twenty Years," dramatized by Carlisle Chenault and played by Al Sturgis, Edgar Gregg and William Finn; "Mammon and the Archer," dramatized by Frank Gentry and played by John W. Selph, John Albright, Anne Bell, Ryan Ringo and Fred Houston-Shaw; "A Harlem Tragedy," dramatized by Claribel Kay and played by Carlisle Chenault, Virginia Quisenberry and Free Houston-Shaw; "The Gift of the Magi," dramatized by Frances Marsh and played by Mary Elizabeth James, Kitty Conroy and Edgar Gans. These plays were stories by O'Henry, dramatized by University students.

On March 11 and 12 the following plays, written and presented by the College Club, were presented: "Heritage; A Comment," by Louise Milliken Goode and Pauline Wherry; "The Fool and His Money," by Josephine P. Smirall, played by Kitty Conroy, Preston Cherry, Raymond Connell; and "Uplift," a Comedy in One Act, by Isabel Wolfe Hemenway, played by Bobbie Lampert, Archie Dewese, Josephine Smirall, Geraldine Willes, Kathryn Slingerland, Frances Jewell, Margaret McLaughlin, Lyssa Chalkley, Isabel Heminway, William Mikesell, Simeon Leland and Hannah Stillman.

The Philosphian Literary Society gave "The Amazons," a three-act play by Sir Arthur Wing Pinero, in University chapel, Thursday, April 21. The characters were impersonated by Claribel Kay, Margaret Harbinson, Henrietta Rogers, Lucy Smith, Lillian Dalton, Fred Houston-Shaw, John Land, Jack Darringer, Frank Wedekemper, Robert C. O. Swearingen and George Rouse.

May 23, "The Laughing Cure" was given, with "Mountain Sermon," as a prologue, by J. L. Hays. Those in the cast were Mary Elizabeth Lyons, Sue Chenault, Henrietta Rogers, Mary Peterson, Dorothea Murphy, L. C. Fielder, J. L. Hays, W. K. Berryman and H. C. Neal.

The last play of the Little Theatre season was "The Catboat," a one-act play by Percy MacKaye. The characters of this play were represented by Mrs. Matt Walton, Mamie Miller Woods, Mrs. B. F. Van Meter and Professor J. T. C. Noe. The author of the play, Percy MacKaye, was the guest of honor at both performances. The Little Theatre series given by

the teas of the Woman's League were also a decided success. The Little Theatre was crowded on every occasion. The plays were: "Playroom," March 2, given by Elizabeth Green, M. Guthrie, Earl Smith, J. L. Albright and Margaret Cole. The author of this play is Doris F. Haiman; "Eugenicity Speaking," by Edward Goodwin, March 17, played by Lela Willis Pogue, Blanch Collins, Herschel Harrington and C. O. Swearingen; "Play Goers," by Penerol, played by E. E. Slier, Sue Chenault, Dorothea Murphy, Ester Harris, Margaret Parrish, Anne Bell, Margaret L. Garnet and J. C. Arnold; "Three Pills in a Bottle," by Rachel L. Field, played by Catherine Reed, Cathrine Elliot, Charlie MaHone, Flenor Heath, Jessie Dodd, Nancy Anderson, and Robert Curry; "The Bracelet," by Alfred Sutro, April 7, played by W. G. Wedekemper, J. O. Burks, C. E. Swearingen, Lulu Blakey, Laurine Wells, Lucy Smith and Henrietta Rogers; "The Bootmakers," by Earl Mitchell, April 28, played by J. Shouse, E. E. Slier, Kitty Conroy and J. Burks; "The People," by Susan Glasswell, May 5, played by J. Burks, Georgia Terry, J. R. Albright, Flenor Heath, Charles Mahony, J. C. Arnold, Ester Harris, James Shouse, E. H. Smith, Blanch Collins and Elizabeth Yabro; "Hour Glass," by William B. Yates, May 12, played by Flenor Heath, Margaret Cole, S. S. Shouse, Anne Bell, Margaret Paprich, Katie Gatewood, Lulu Blakey, Nancy Anderson and Elizabeth Guthrie; "Food," May 19, played by Lulu Blakey, Charlie Mahoney and J. R. Albright. ALUMNI RESPONDS LOYALLY (Continued from Page 1)

Greater growth is possible only with greater support from the Commonwealth in appropriations for new buildings, equipment and operation. The report of the Kentucky Survey Commission on its work May 16 to 21, 1921, indicates clearly the needs of the institution. In that report recommendations were made for an immediate increase of \$300,000 in the annual appropriation, and \$8,000,000 for buildings and equipment in the next ten years. Members of the Commission pledged support to a movement that would supply these needs. On the alumni rests in large part responsibility for success of the plan.

Membership in the Association has increased from 193, June 15, 1920, to 924, June 1, 1921. In the same period the number of active alumni clubs has grown from two, both of them out of the State, to nine in the State and five without, with a score more in process of organization.

Twenty-one hundred men and women have been graduated by the University, which number will be increased by 162 with the class of 1921. More than 16,000 men and women have been enrolled since the founding in 1865. When all these are ardent workers for the University, when they rejoice in its victories and hope for its future, great progress will be possible.

THE EDITOR.

KY. GRADUATES FAMOUS (Continued from Page 1)

The Department of Chemical Warfare asked for an appropriation of \$4,500,000 and Congress voted \$1,500,000 which President Wilson vetoed as inadequate.

Dr. Lovenhart is one of the nation's best known chemists. During the war he was at the American University, Washington, being in charge of one hundred students, some of whom made particularly meritorious discoveries in connection with gases and their uses.

Dr. Lovenhart addressed the Rotary Club while here at the weekly luncheon at the Phoenix Hotel and it is his opinion that the knowledge of chemistry will be the controlling factor in the next war. He declared that re-

search work in chemistry must be done during time of peace, that to wait until war was declared to do it was not at all time enough.

Dr. Lovenhart is one of America's leading scientists and the most famous alumnus of the College of Arts and Sciences of the University. He was a student of Dr. Joseph H. Kastle and later studied at Johns Hopkins University and in Europe.

ARTS AND SCIENCES SENIORS' REUNION

The following announcement has been sent out:

To the Seniors of the College of Arts and Sciences:

You are cordially invited to be present at the Arts and Sciences reunion and conference in the Art rooms Tuesday, June 14, at 10:00 a. m. The faculty is planning to meet the alumni and former students at that time and perhaps have a few short talks about the plans for the future. This will be your first experience as an alumnus, so please be sure to be there.

Cordially,
PAUL P. BOYD,
Dean.

RUTH HUGHSON WINS JOURNALISM PRIZE

Ruth Hughson, Lexington, is the winner this year of the Sophomore Journalism Prize of \$5.00 which is offered annually by Professor Enoch Graham, head of the Department of Journalism.

Emmett Swisshelm and Affie Hammond received honorable mention. The prize is awarded to the students who turns in the best note book counting the work of the second semester of Sophomore journalism.

SENIOR TEAM WINS IN CLASS BASEBALL

The Seniors, with a record of seven games won and two lost, won the class baseball championship on the campus this year. The Sophomores were second.

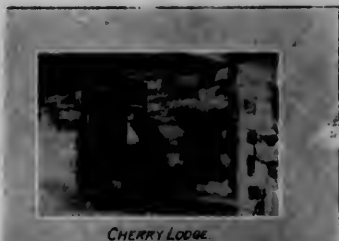

The Senior team was composed of Weatherholt, p.; Zertoss, c.; Thompson, 1 b.; Land, 2 b.; Boggess, ss.; Slegil, 3 b.; Hagan, 1 f.; Lloyd, r. f.; Walker, c. f. and Tinsley, c. f.

FRATS PLAN CAMPS ON KENTUCKY RIVER

K. A., Kappa Sig., Phi Delt, and Sigma Nu to Spend Week.

The school year will be ended, by many of the men's fraternities of the University, camps on the Kentucky River. Among those planning such camps are Kappa Alpha, Kappa Sigma, Phi Delta Theta and Sigma Nu. The active members of the fraternities with a number of girls as their guests and their chaperones will spend a week on the river.

The Kappa Alpha's will leave June 10 for "Idlewild" and "Shadow Glen" and with Alpha Theta chapter of Transylvania College, will stay until June 17. The Kappa Sigma's will spend the same week at "Chevy Lodge"

CHERRY LODGE

just across the river. The Phi Delt's will leave for camp June 16 and spend the week at "Cliff Echo." The Sigma Nus will begin camp June 16 at "Bidea-Wee" and remain until June 23.

All the sports of out-door life will be enjoyed. In addition to swimming, rowing and tramping, some of the fraternities are making novel plans for evening entertainments.

LOST—On Limestone street, between Experiment Station and Agricultural Building, or on campus between Agricultural Building and Rose street, four \$10 bills. Finder please call 3980 and receive liberal reward.—Theressa Lipps.

A SEVERE EXISTENCE

By Ham.

I've resolved in this time of conflict and strife

To adhere to a strict and abseious life.

It's wrong to play cards and to bet at the track

Even virtue itself will warp till it crack.

It's wrong to smoke cigs and to chew chewing gums

As I think it all over I'll twiddle my thumbs.

It's wrong to have friends that may cause you to fall

Therefore I'll have none on a very large scale

It's wrong to hear talk that is not of a kind

To cause you to yawn while improving your mind.

It's wrong to be knocking your teachers or chums

But I'm perfectly safe while I twiddle my thumbs.

It's wrong to have fun in a boisterous style.

It's wrong to indulge in a frivolous smile

It's wrong to sing out in wild flowing strains

They'll accuse you of having a sad need of brains.

Yet life may be joyous no matter what comes

I'm always permitted to twiddle my thumbs.

"WE FIT YOU"

In Selecting a University—

For a college education, there are five things to be taken into consideration:

- 1. The men at the head of the Institution.
- 2. The scholastic standing and ability of the Teaching Staff.
- 3. The location and advantages of environment.
- 4. Equipment, buildings, laboratories and libraries.
- 5. Cost.

In all these respects the University of Kentucky commends itself to those seeking a higher institution in which to carry on their education.

All Departments, including Liberal Arts, Sciences, Agriculture, Law, Education, Mining, Civil, Electrical and Mechanical Engineering.

The Government needs trained men and women; college training will bring the result.

"I never could stand kissing," she
muttered as she asked him to sit down
on the back steps of the sorority.

Newlywedded Co-Ed—And shall I
put on the perculator dear?
Ed—No, precious, I can't see
through you, I guess you have on
enough.

ALUMNI BANQUET TO
BE TUESDAY EVENING

Every member of the present Senior Class is expected to attend the alumni banquet Tuesday night. This will be the first function of the alumni since you have become a member. Start the good work off right by attending and displaying your interest in the alumni organization and your desire to be linked with an organization that is wholeheartedly behind your school.

Following the banquet the Class of 1921 will be guests of honor at a dance given by the Lexington Alumni Club. It takes a thin man to hide behind a woman's skirts these days.

LET'S DANCE!

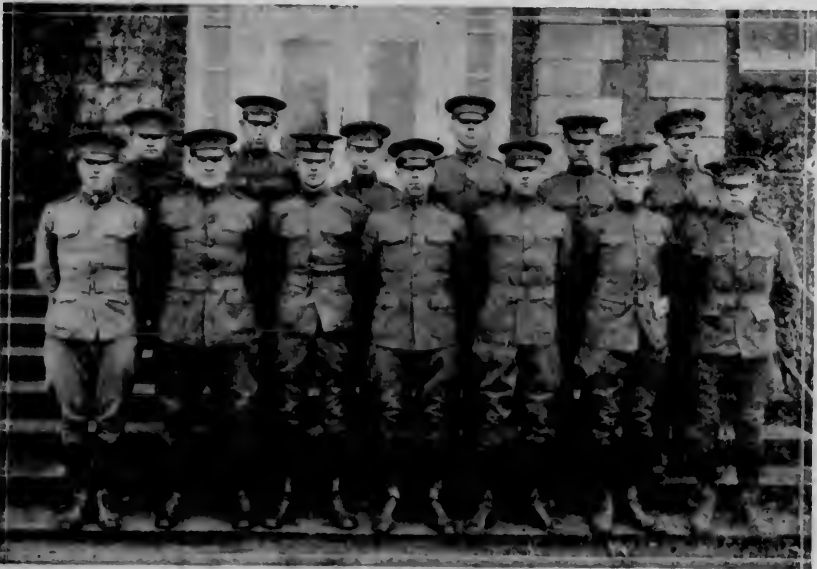

In a recent sermon by one of the leading ministers of the city, the beloved pastor took a positive stand against dancing as one of the great modern evils. While The Kernel does not propose to debate the matter, the following observation turned in by a student indicates at least the students' attitude on this outstanding subject: To dance or not to dance, that is the question.

Let's dance! What's the harm? What is the harm anyway? Where is the bugaboo that is prophesied at stated intervals by old fogies who are too stiff to dance and to unimaginative to conceive of anyone liking to do something they don't fancy?

Life and spirit and love of play are characteristic of youth. Dancing embodies all these joys and is the natural expression of them. The dance is an ancient and cultivated art having its origin in sacred worship. Treated as an art and practised as an art there is nothing more beautiful, healthful and youthful than the dance.

"On with the dance and let joy be unconfined," quoth Brother William Shakespeare of the eternal youth. Turn on the jazz, bo', and let 'er rip," he would say today if he only could. He was human, was old Bill—a good scout.

"Come and trip it as ye go,
On the light fantastic toe," cried Brother Milton, falsely reported to be over Puritanical. He was probably speaking from hearsay, though, for anyone who has been there knows full well that a "fantastic toe" clad in a heavy army shoe is anything but light upon one's own.

Cadet Officers Of The University Battalion

BART PEAK LEADS Y. M. C. A. THROUGH SUCCESSFUL YEAR

17 Bible Classes Have
Average Attendance
of 205.

ROOMS USED BY 3258

Varsity Handbook to Be Published This Summer

The Y. M. C. A., under the leadership of Bart Peak, has had a very successful year on the campus. The most important work it accomplished was organizing and conducting of the Bible classes which had an average attendance of 205 students weekly.

A summary of the activities of the "Y" during the year follows:

During the Summer, letters were sent to all the prospective students. The University colors were enclosed for students as they came to the University. The incoming trains were met by the students and the new students were given information and helped in any way possible during the two days at matriculation.

A small leaflet was printed giving information about the University telling of the different organizations on the campus. This was distributed as a sort of Freshman guide.

Employment

The employment service placed 8 men in regular jobs and about 150 at odd jobs during the year. It is estimated that these students have earned \$2000.

Three students who were in great need financially were helped by securing for them scholarships from the War Work Fund. Seven visits were made to students and faculty that were sick and powers were taken to them.

Seventy-five dollars was paid to the Association for part of a student's expenses in the hospital. He was too sick to be moved and could not meet the expense.

Two Senior students from the Engineering Department were sent to lay off the new State Y. M. C. A. Camp near Mammoth Cave.

Religious Meetings

Twenty-eight religious meetings have been held on Sunday evenings with an average attendance of over thirty-one. One feature of these meetings was a series of life work talks on medicine, farming, teaching, the ministry and law.

The outside speakers brought to the University were: Doctor Winfield Scott Hall, on Sex Hygiene; Mr. George Colvin, Superintendent of Public Instruction; Doctor Hart of Danville; Fay Campbell of New York; H. E. Taylor of Berea; Doctor John M. Van der Meulen, President of Presbyterian Theological Seminary, Louisville; Mr. John Little of Louisville; Doctor Ganfield of Danville; B. S. Ding, Chinese student from Georgetown College; and Doctor Allen K. Foster of New York. Doctor Foster was with us three days and spoke twelve times to a total of 1200 students.

Twenty-four-minute prayer meetings have been held.

Conferences

At the State Student Conference held at Berea in December, the University was represented by twenty students and eight faculty representatives.

At the Blue Ridge Conference there will be about ten students and two faculty representatives.

Bible Study

Nineteen Bible classes were organized, seventeen of which completed the course. There was a total attendance of 2,465 for twelve weeks or average of 205 per week. All but five groups averaged more than 75 per cent attendance and the leading group with fourteen enrolled only had five absences in twelve weeks. Leaders were both faculty men and students.

Text—"Manhood of the Master."

Course closed with a supper at the City Y. M. C. A. in honor of the winning group. Served by the Woman's Auxiliary of the University Y. M. C. A. A Sunday School basketball league was conducted for the purpose of promoting Sunday school attendance among the students.

Mission Study

Four of the Bible study groups extended their time two weeks for the study of China as a Mission field. Three of these groups met twice with an average attendance of 17, 17 and 14 respectively. The other group met once with 18 present.

One student volunteered for Foreign Missions.

A class was organized for the study of the negro problem. Doctor Skull lead this class through six weeks, one night a week with an average attendance of 28, 9 of these were men students. The text—"Negro Life in the South" was used. Lantern slides were used to illustrate some of the lectures.

Social Service

Night classes for negro janitors conducted for ten weeks. Students taught these negroes reading, writing and arithmetic.

Two students worked with boys at Lincoln School each going one evening a week.

One student taught a Bible class at the City Y. M. C. A.

Three students went one afternoon each to the Orphans Home on Short street to work with the boys.

Membership

The Association has sent out a letter to 1300 ministers of the State and to about 300 high school superintendents telling them something of the work that is being done.

In co-operation with the Alumni Association the Y. M. C. A. has sent a special Alumni and Y. M. C. A. edition of the Kernel to each of the University Alumni and another copy is to be sent out June 10.

The Varsity Hand Book, which was ready for the printers in time to get it out before the end of school, was delayed by the recent printers' strike and will be printed during the Summer.

Socials

College night at the end of the year was a welcome to the new students and was attended by about 400 students.

Two short social hours have been given after the religious meetings on Sunday evenings.

The Short Course Agricultural students were entertained at the "Y" rooms with practically everyone in the course present.

Finance

Three hundred and twenty subscriptions were made to the Association from the students which is about 38 per cent of the men students. Total amount subscribed, \$980. Amount paid, \$586.50; unpaid, \$345; students who have left school owe \$48.50. From the faculty there were 106 subscriptions or about 83 per cent of the men in the faculty. \$520.23 subscribed of which \$498.73 has been collected.

Rooms

Three thousand, two hundred and fifty-eight students have used the game room during the entire year and an average of between 40 and 50 use the reading room daily.

DOCTOR FUNKHOUSER WRITES FOR TWO SCIENTIFIC PAPERS

Two articles by Dr. W. D. Funkhouser of the Department of Zoology appeared in scientific publications last month.

One entitled "The Genus Cryptonotus," in the May issue of the Entomological News, is a technical discussion of a problem in zoological nomenclature. The other, "New Membracidae from China and Japan," in the last number of the Bulletin of the Brooklyn Entomological Society, describes eight new species of insects discovered in Asia.

RESIGNATIONS AMONG FACULTY ANNOUNCED

Several Heads of Departments and Professors to Leave Kentucky

The following resignations of members of the Faculty of the University of Kentucky have been announced:

Dr. J. J. Tigert who has been appointed Commissioner of Education by President Harding.

Dr. C. A. Shull who has accepted a position on the Faculty of the University of Chicago, where he will do research work.

Dean Josephine Smrall who has been appointed Dean of Women at the University of Cincinnati. She will be succeeded by Miss Frances Jewell as Dean of Women at the University of Kentucky.

Prof. George Baker who has been appointed Superintendent of Schools of Fayette County.

Dr. Eva M. Lock who will be resident physician at the Woman's College of North Carolina.

Mr. E. A. Warren, Jr., who will go to Harvard next year.

Prof. M. C. James who will take up farming in Colorado.

Prof. E. L. Rees who will spend the summer abroad and will study at the University of Chicago next year.

CLAY ELECTED HEAD OF LOUISVILLE CLUB

Horace Miller Clay, a Sophomore in the College of Engineering, was elected president of the Louisville Club for next year at the meeting in the Journalism rooms Friday. Mary Elizabeth Downing was chosen vice president; Daysis Lee Tinsley, secretary, and Edgar Gans, treasurer.

It was decided to carry on an intensive campaign among the graduates of the Louisville high schools this summer, to get them to come to the University of Kentucky next fall. The club is composed of all of the students from Louisville and Jefferson county who are attending the University.
